REPORT OF OFFENDER NON-COMPLIANCE

NON-COMPLIANCE SUMMARY

The purpose of this report is to advise the Court of an alleged violation of the terms of supervision. The Probation Officer has developed a plan to dispose of the alleged non-compliance with action less than revocation, and the Court is requested to approve the plan to address the non-compliance.

1. IRREGULAR FINE/RESTITUTION PAYMENTS

The offender will owe an outstanding balance toward his financial obligation when the term of probation expires on July 28, 2005.

Details of alleged non-compliance: The offender has paid a total of \$30.00 towards the \$7,872.29 financial obligation ordered.

United States Probation Officer Plan/Justification: As referenced in the presentence report, in 1985, the offender was involved in a diving accident in which he suffered a broken neck and is paralyzed from his waist down. Throughout the term of supervision, the offender has been unemployed, subsisting on \$777.00 per month in Social Security Disability payments. These payments are barely enough money to cover the offender's normal monthly living expenses. Because of such, the offender has been unable to contribute money toward his financial obligation ordered by the Court.

The Financial Litigation Unit of the U.S. Attorney's Office will be notified of the impending termination of supervision and will continue collection efforts beyond expiration of supervision.
